LIGHTEN
HOME HEALTH

COMPASSIONATE. PERSONALIZED CARE.

Lighten Holistic Hospice Care

Lighten Hospice practices a Holistic Model when caring for terminally-ill patients. We ensure that the true needs of each patient and their family are met by a team of compassionate and caring professionals.

We go the extra mile in facilitating a peaceful passing with comfort, dignity, respect, compassion and love. Conventional medical procedures are coupled with complementary compassionate services, to holistically ease the passing of loved ones.

We offer this high standard of Hospice care for all.

Lighten Hospice Care is a physician directed, RN coordinated program of care that responds to the physical, emotional, and spiritual needs of the terminally-ill patient and his/her family.

Lighten Hospice Care is offered in homes, assisted living and skilled nursing facilities, hospitals, or any other agency within our service area.

What is Lighten Hospice Care?

- **Lighten Hospice Care** service area includes: Davis, Weber, Summit, Morgan, Box Elder, and Cache Counties.
- **Lighten** provides holistic end-of-life health-care, offers support and guidance to the grieving, and provides information and education to our communities.
- **Lighten** does not discriminate on the basis of race, color, national origin, disability, diagnosis, age, sex, religion, sexual orientation, or provisions of services and benefits with anyone they admit into their care.
- **Lighten** strives to assist patients in a journey of peaceful passing in all respects. Our goal is to empower patient's final journey home with the utmost dignity and integrity.

Hospice care is paid for by: Medicare, Medicaid, or private insurance.

Our Professional Team Includes

					
Medical Director a physician from the community who works with the patient's attending physician in providing the appropriate, quality comfort care.	Licensed Nurses trained to provide palliative care, monitor disease process, and manage all symptoms for patient comfort.	Certified Hospice Aides to assist with personal care, home exercises, and activities of daily living.	Spiritual Care a chaplain is on staff to meet the patient's spiritual needs and support the patient's own religious beliefs, minister, or priest as necessary.	Volunteers to provide respite for family/caregivers, provide support and companionship.	Physical, Occupational, Speech Therapies, and Nutritional Counseling available to assess and provide

What are complementary compassionate services?

Therapies offered are

	Prayer Medical Director the power of prayer has been a true, timeless, documented form of healing and inner peace. Respectfully individualized, it can yield truly amazing results.		Visualization/Guided Imagery used to stimulate a calming or healing response in the body, mind and spirit.
	Aromatherapy/pure essential oils can have a favorable impact on patient comfort.		Music therapeutic and soothing music is a creative, non-verbal, powerful tool for anyone. Music can bridge the silence of loneliness, soothe, ease pain, and tap into rich and sacred memories of life.
	Massage/Reiki/Healing Touch used to restore and maintain wholeness through harmony and balance creating relaxation and peace for the patient.		Art therapy drawing, coloring, has been shown to allow expression of emotions further enhancing a letting go and peace.
	Reflexology/Acupressure direct trigger points release muscular tension, relieve stress, ease pain, and relax the mind and body.
