EYE VISION

CLOCK

The image features the word "CLOCK" in a bold, black, sans-serif font. The letter "O" is replaced by a red circular clock face. The clock face has a black center with a dot, from which two hands emerge: a shorter, thicker hour hand and a longer, thinner minute hand. The hands are positioned to show a time of approximately 10:10. Four black triangular markers are placed at the top, bottom, left, and right of the red circle, serving as hour markers. A solid black circle is positioned directly below the center of the red circle, connected to it by a thin vertical line.
